## GM Compensation

2018

Going into its 13<sup>th</sup> year, CharCon has been able to keep happening year after year thanks to the contributions of many people, but none more than the Game Masters who run games for our attendees. They put the game in this game convention and without their contributions CharCon would simply cease to be.

Over the years, we have provided a variety of different perks, rewards, compensation and such as a way to say thank you to these gaming all stars. Now we have moved towards an official GM Compensation Policy. We sincerely hope that this helps convey our appreciation to those attendees who take the time to prepare, submit and run games at CharCon.

Based on the duration of a GM's approved events	
5+ Hours	15+ Hours
Discounted Weekend Admission (\$25 cost during pre-registration)	Fully Comped Weekend GM Badge GM Only T-Shirt GM Badge Ribbon

Game Masters who plan to request compensation under one of these tiers should contact the appropriate Event Coordinator who can assist with the process.

- All events are subject to approval by the CharCon Staff.
- To be considered, events MUST be submitted prior to Jun 26. Events submitted after that date will not count towards GM Rewards.
- CharCon reserves the right to deny events for any reason, including attendance in previous years or GM failure to run event
- Miniature and Role-Playing events are covered under this program. CharCon considers other events on a case by case basis. Contact David Gilligan to determine if your event qualifies.
