2018
Vendor
Agreement

This package outlines the relationship between CharCon and Vendors. It shows what vendors will receive at CharCon, what is expected of vendors and the cost for table space at CharCon. **Placement of vendors is solely at the discretion of the CharCon staff and we will do our best to place Vendors according to preference. In doing so, we will also consider the number of years attended and relative merchandise.**

If you have any feedback for us from last year, we would love to hear it.

Thanks and I hope we all have a great year at CharCon 2018!
